CLAIMS

I claim:

1. A portable screen wall section, comprising:

Hollow boarder, surrounding the mesh screen;

Mesh screen or netting fabric outlining the inside of the hollow boarder;

A plurality of Straps attached to hollow boarder exterior vertical front and/or backsides;

Slit openings on hollow boarder exterior front side and/or backside;

Support structure members slip through slit openings and are connected together once inside hollow boarder;

Zipper placed on portable screen wall section.
